

## Episode 13: Who is the Holy Spirit? (Part 3)

Bible Foundation Principles that every Christian must understand

God's purpose of the Spirit working in us is to...

A. Develop our Spiritual Connection with God

- 1 John 2:27
- 1 Corinthians 2:9-16 (As opposed to Isaiah 55)
- John 14:26

B. Empower us to do His work.

- John 14:10-12
- 1 Cor 12:7 By manifesting the 'Gifts' in us and through us.

C. By flowing THROUGH us when we listen and obey

- Galatians 5:16 & 22-25

D. God commissioned us to DO the things he did, and GREATER things.

- Mark 16:15-18

**God expects these things 'SHALL' appear in our lives.**

If you are not experiencing these manifestations of the Spirit then it's time to start believing for them and operating in the power of the Holy Spirit.

Acts 2:15-21
